## We Did It!

*"A4Dayers" made history coming together from Canada and the US for the first Provincial Ultreya of the Anglican Fourth Day Movement in North America*

The Holy Spirit showed up as "A4Dayers" arrived at St Vincent's Cathedral in Bedford, TX, hosting the first Provincial Ultreya for the Fourth Day movement of the Anglican Church in North America on Friday, August 13<sup>th</sup> and 14<sup>th</sup>.

Attendees represented the Anglican Fourth Day from across the US and Canada coming from the Eastern Shore of Maryland to Bellingham, WA from two provinces of Canada to the western deserts of Texas, from California to Massachusetts, from Ohio to Florida.

Bishop Jack Iker, of the Anglican Diocese of Ft. Worth greeted the "A4Dayers" and led the assembled in Morning Prayer before the rest of the day's activities began.

Archbishop Robert Duncan stopped by prior to his evening address to listen to some of the presentations. He asked Ken Herbst, A4D Board President, if he could speak to the assembled. When he went to the microphone the first word out of his mouth was, "Ultreya!" and the place broke out into pandemonium as the A4D'ers greeted the Archbishop. (The word "Ultreya" means "on-ward and up-ward.")

The worship team from Christ Church XP (Chi Rho), Anglican Church of Montgomery, AL was an outstanding success in bringing everyone into the presence of the Holy Spirit as the group worshipped throughout the Ultreya. In addition to the worship music the team was a hit as they entertained with music and songs from the 70's during the breaks.

Friday evening Archbishop Duncan celebrated Holy Communion and spoke to the congregation about the importance of the fourth day movement in the new church to help develop leaders and play a role in meeting the goal set in Anglican 1000 to plant new churches in the next five years.

During the Ultreya the Board of Directors appointed The Rev. Dr. Tom Tirman (Noblesville, IN) and Jack Duffy (Attleboro, MA) to the Board.

Officers, Members, and Ad Hoc Board Members for the coming year are:
